Vishay Israel Operations

Dear Customer:

We understand that you may have some concerns regarding Vishay's ability to deliver products from Israel considering the current situation there. We would like to reassure you and comment as follows:

- For over 50 years, we have shipped products from Israel to all regions in the world without interruption.
- All of our factories in Israel are up and running.
- For most of our Israeli production, we have multi-sources in other regions of the world.
- Additionally, we maintain buffer stock in America, Asia and Europe.
- Finally, our international distribution network has many Vishay products available in their inventory for immediate delivery.

Rest assure that Vishay management has taken – and will continue to take – all necessary steps to guarantee your deliveries worldwide today and tomorrow.

If you have questions, please contact the Vice President Sales in your area.

Best regards,
